The Civic Leadership Training is an experiential and comprehensive 2.5 day training designed by and for Asian and Pacific Islanders (API). This intimate class of 15-30 existing and emerging leaders will develop the skills needed to take their civic engagement to the next level.

The CLT will help participants expand their Civic & Political Network, build an individualized Civic & Political Process Plan, better understand and navigate the civic and political framework (including the electoral process), and sharpen skills useful for increasing their civic and political participation.

### Program Components

The 21<sup>st</sup> Century Civic & Political Leader  
Positioning Yourself for Levels of Participation  
Networking Skills  
Financial Disclosure & Brown Act  
Individual Positioning: Civic and Political Process Plan  
Advocacy Training: How to Testify and Lobby Issues

Applicants should have

- 1) A strong interest in addressing API community issues and concerns
- 2) Demonstrated leadership experience or active involvement in professional, academic, community or private arenas
- 3) Public service experience within their community
- 4) A strong desire to run for elected office or seek appointed positions in public office
